3-1

Select the Full/Half Height Expansion Slot Faceplate according to the chassis I/O space specifications, and secure it to the adapter with two bracket screws.

3-2

**Note:**

- 1.Safety First:** Before any hardware installation, please ensure all power is switched off and cords are disconnected for your safety and to protect the equipment.
- 2.Handling Adapter:** Kindly handle the circuit boards with care, as they are sensitive to static. We strongly advise grounding yourself before touching to avoid electrical damage.
- 3.Securing the Adapter:** Please use the included screws to secure the device firmly in place.
- 4.Cable Management:** When disconnecting cables, always gently press the overmold to release the connector latches. This helps prevent any harm to the cable or connector.
- 5.Device Placement:** Please place the adapter in a safe location, away from magnetic fields, high voltage, direct sunlight, and moisture to ensure its longevity.

**Recommended Usage and Compatibility Note:**

To ensure the best performance and compatibility, we strongly recommend using ICY DOCK's certified cables and NVMe drive enclosures with this adapter card. This minimizes the risk of signal loss or connection errors, especially under PCIe Gen 4/5 high-speed operations.

To explore compatible SSDs, host cards, and enclosures, please visit our NVMe Storage Selection Guide:

**Technical Specification:**

|                             |   |
|-----------------------------|---|
| Model                       | MB409A4   |
| Compatible Drive Type       | NVMe  |
| Support Slots               | 1 x PCIe 3.0 or 4.0 x8 / x16 expansion slot                   |
| Host Interface              | PCIe 4.0 x8   |
| Endpoint Interface          | 1 x SlimSAS 8i(SFF-8654), Pin-out defined by SFF-9402 Rev 1.1 |
| Transfer Rate               | PCIe 4.0 x 8 up to 128Gbps                                    |
| Supported Operating Systems | No limitation   |
| Package Contents            | Device, user manual, half height IO faceplate, screw          |
| Compliance                  | CE, UKCA, RoHS, REACH   |
| Warranty                    | 2 years warranty  |
