3-6

Firmly press down the backside of the drive to secure the drive onto the tray.

3-7

3-8

▼ The ExpressTray supports tool-less drive installation. The patented mechanical design inside the enclosure will fully secure the drive once the ExpressTray is inserted into the enclosure. To prevent dropping your drives. please do not flip the ExpressTray upside down when there is a HDD or SSD placed on it.

Optional - Two M3*4 screws can be installed on the rear underside of the tray for extra stability
